SMS FLATSCREEN FM MFD

Very wide widescreen.
SMS Flatscreen FM MFD is particularly suitable if you need an attractive, mobile and compact stand for your video-conferencing equipment. Shelves (optional) can take all your video equipment. You can also make presentations on two screens at the same time, showing a video on one screen and a related powerpoint presentation on the other, for instance. SMS Flatscreen FM MFD can carry two screens next to each other and support a total weight of 60 kg.

New!
The adapterplate has a new design, which is easier and more user friendly. There is also a new design on the pillar which allows you to, stepless, raise and lower you screen and shelves. The new SMS Flatscreen H2 Unislide is included in the bracket.
